

A white paper airplane is shown in flight against a bright blue sky. Several glowing, curved light trails in shades of blue and cyan trail behind the airplane, suggesting speed and movement. Below the sky, a vibrant green field stretches across the horizon. A single, small, leafy tree stands on the right side of the field. The overall scene is bright and optimistic, with a clean, modern aesthetic. The date '2006.3.17' is centered in the sky area.

2006.3.17
